

Beth Dorn, MD
Internal Medicine

I encourage you to receive your COVID-19 bivalent booster and flu shot at the same time. Both are available in my office as well as local pharmacies.

- For individuals 65 and over, we offer the High-Dose flu vaccine.
- For those 64 and under, we will continue to offer the Flublok vaccine.
- We have the Moderna and Pfizer COVID-19 bivalent booster available.

**Call my office (310) 375-2288
to schedule.**

Be prepared and protected.

Call and schedule your flu shot today.
